Education

B.tech - Information Technology   (2022-2026)
Karpagam Institute of Technology, Coimbatore
CGPA - 7.9

Experience

Architecture Infinity · Virtual Internship (May 2023)

- Successfully completed a 15-day internship concentrating on schematic design, 3D modeling, rendering, and presentations.
- Exhibited dedication, accountability, and a strong desire to learn new skills.

ZEN 1 Techpark · Fullstack Developer Internship   (Feb 2024 – Mar 2024)

- Completed a 15-day internship specializing in fullstack development, refining skills in coding, debugging, and software deployment.
- Showcased enthusiasm, leadership, self-discipline, and strong self-motivation.

Certifications

Oracle Cloud Infrastructure Certified Foundations Associate | *Oracle University*

- Achieved certification as an Oracle Cloud Infrastructure 2023 AI Certified Foundations Associate.
- Recognized by Oracle Corporation for foundational expertise in cloud infrastructure solutions.

AWS Academy Cloud Computing | *AWS Academy*

- Studied AWS infrastructure, storage, networking, and security services.
- Proficient in building scalable applications using AWS.

Data Structure and Algorithms using Java | NPTEL Online Certification

- Achieved certification in Data Structure and Algorithms using Java.
- Recognized by NPTEL for successfully completing the course with a consolidated score of 63%.

Projects

Portfolio Website Development | GitHub Deployment

- Developed a personal portfolio website using HTML and CSS, highlighting projects, skills, and achievements.
- Deployed the website on GitHub Pages, ensuring a clean, responsive, and accessible user interface.

Student Management System | CRUD Application Development

- Built a robust CRUD (Create, Read, Update, Delete) application using Node.js, Express.js, MySQL, and Handlebars.js.
- Designed to efficiently manage student data, the system allows users to seamlessly add, edit, view, and delete student records.

Technical Skills

- Programming | Java
- Database | MongoDB
- (Basics) Frontend | React.js
- (Basics) Backend | Node.js,Express.js

Soft Skills

- Adaptability
- Meeting Coordination
- Project Support
